12. The image files can be saved in the clients database for the purpose of making them available to personnel working on the production. Besides this right no archiving of the image files is allowed.
13. The client and publisher agree that by signing this contract they agree to indemnify and hold photographer Pasi Aalto harmless against any claims, damages, losses, expenses or costs, including legal costs, arising in any manner whatsoever from clients use of any of the images, or any other breach by client of any obligation under this license.
